

# Wrinkle Time

DECEMBER 2012

Nope, we don't have a confirmed date for our next gathering yet. Stay tuned!

No Bull...Just Fun

# BCARN—MN

We currently have two Bulldogs in rescue. Both have similar stories. They are three year old spayed females who do not “play well with others”. Rocki had been purchased as a companion for the family’s American Bulldog...another female. They did not hit it off and after four months of trying, her family decided that Rocki would be better off in a home of her own without any other pets. Rocki is a “foster-to-adopt” situation and her foster mom and dad thinks she’s great. After we get her in for her vet visit for a “once over” and her health checks out OK, she will be able to be adopted.

Margaret also was not getting along with her canine “sibling” – a small Dachshund female. She also has some anxiety issues around human visitors, so is in need of some socialization skills. Margaret might need to go to a home where she has a fenced yard and no children in the home will be best as she does not like people to approach her too quickly and obviously kids won’t always know to approach her slowly. A family without a lot of coming and goings in the home will be best for Margaret.

Both of these girls are in good general health and will make great companions to a family once we find out what is best suited for them.

We will probably be getting in a young male Bulldog named Archie. Archie’s owner needs to relocate due to a family situation and will not be able to bring Archie with her. Archie appears to have no serious health issues or behavioral issues, but we will know more once we get him into rescue and have a chance to evaluate him.

Thank you to all who donated items or bid at the Rescue Silent Auction back in September. Additional donations were received from zipper bags and “Adopt a Shirt” for a total of \$114 collected that day for Bulldog rescue.

Back in September, you were informed that rescue dog "Grumpy" had to receive ear ablation surgery. Grumpy is doing great these days and not feeling quite so grumpy anymore!

Merry Christmas, and may your holidays be happy ones.

Once a day all you have to do is click the button on the home page to give food to shelters. They also have really cool paw print and dog things!

Just a couple things I saw (from left to right):

Cool pack, vest, and ear buds
